

Forest of Galtres: Order of Merit 2006

After winning Captains Day, Mick Collins takes a joint Lead with Martin Cullen. The rest of the field are not far behind and with only 7 points being the benchmark for the Top 10, a win in any of the next few competition could see a dramatic change to the Top 10.

Congratulations go to Martin Cullen, Wing Pang and Mick Collins for winning the last three qualifying events since the last update.

Please continue to read the board for further updates.
